BY
CPI PROPERTY GROUP S.A. AND AROUNDTOWN SA
THROUGH
ZAKIONO ENTERPRISES LIMITED**

- CPI Property Group S.A. (“**CPI**”) and Arountown SA (“**Arountown**”, together with CPI, the “**Consortium**”) announce the terms of a cash offer pursuant to which Zakiono Enterprises Limited (“**Zakiono**”) shall offer to acquire the entire issued and to be issued share capital (not already held, or agreed to be acquired, by Zakiono) of Globalworth Real Estate Investments Limited (“**Globalworth**”) (the “**Offer**”).
- Under the terms of the Offer, which will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Offer Document, Globalworth Shareholders will be entitled to receive:

7.00 Euros in cash for each Globalworth Share

- The Offer values the entire issued and to be issued ordinary share capital of Globalworth at approximately EUR 1,571 million (or EUR 774 million in respect of the entire issued and to be issued ordinary share capital of Globalworth not held by the Consortium) and represents a premium of approximately:
 - 19.5 per cent. over the Closing Price of EUR 5.86 per Globalworth Share on 13 April 2021 (being the last business day prior to publication of this announcement); and
 - 18.6 per cent. to the volume weighted average price per Globalworth Share of EUR 5.90 for the one month period ended on 13 April 2021 (being the last business day prior to publication of this announcement).
- If after the date of this announcement, any dividend and/or other distribution and/or other return of capital is announced, declared or paid in respect of the Globalworth Shares, Zakiono reserves the right to reduce the offer consideration by an amount up to the amount of such dividend and/or distribution and/or return of capital so announced, declared or paid, in which case any reference in this announcement or the Offer Document to the offer consideration for the Globalworth Shares will be deemed to be a reference to the offer consideration as so reduced.

- The Offer shall be subject to the Conditions and further terms set out in Appendix 1 to this announcement and to be set out in the Offer Document, including:
 - valid acceptances of the Offer being received in respect of Globalworth Shares which, together with Globalworth Shares acquired or agreed to be acquired before such time (whether pursuant to the Offer or otherwise), will result in Zakiono and any person acting in concert with it holding Globalworth Shares carrying, in aggregate, more than 90 per cent. of the voting rights normally exercisable at a general meeting of Globalworth, however, Zakiono may decide to waive this acceptance condition down to a lesser percentage in accordance with Rule 10 of the Code, provided that Zakiono has acquired or agreed to acquire (whether pursuant to the Offer or otherwise) Globalworth Shares carrying in aggregate more than 50 per cent. of the voting rights normally exercisable at a general meeting of Globalworth. Zakiono currently holds (including Globalworth Shares it has agreed to acquire) 113,879,464 Globalworth Shares representing approximately 51.50 per cent. of the existing issued share capital of Globalworth; and

- The Offer Document, containing further information about the Offer, shall be published as soon as practicable and, in any event, within 28 days of this announcement (or on such later date as may be agreed by the Panel). Subject to the satisfaction or, where applicable, waiver of the Conditions and certain further terms set out in Appendix 1 to this announcement, it is expected that the Offer will become wholly unconditional in the third quarter of 2021. - Zakiono is a Cyprus incorporated company. Zakiono is wholly-owned by Tevat Limited (“**Tevat**”), a Cyprus incorporated company currently wholly-owned by CPI. Upon or prior to the Offer becoming unconditional in all respects, Aroundtown will exchange its Globalworth Shares for shares in Tevat, such that CPI and Aroundtown will each hold 50 per cent. of the voting rights in Tevat and 57.30 per cent. and 42.70 per cent. of the economic rights in Tevat respectively. CPI’s and Aroundtown’s economic rights in Tevat will respectively decrease and increase pro rata depending on the number of Globalworth Shares acquired in the Offer or, following the Offer, in each case as funded by Aroundtown, with a view to each of CPI and Aroundtown holding 50 per cent. of the economic rights in Tevat following the Offer. Irrespective of their economic rights in Tevat, upon or prior to the Offer becoming unconditional in all respects, CPI and Aroundtown shall each hold 50 per cent. of the voting rights in Tevat, and will benefit from equal board appointment, senior management appointment and management and operational rights with respect to Tevat and Zakiono.

Notice to Shareholders in the United States

The Offer is being made to Globalworth Shareholders resident in the United States in reliance on, and compliance with, Regulation 14E and the related rules promulgated under the US Securities Exchange Act of 1934 (the “**Exchange Act**”), subject to any exemptions or relief therefrom, as applicable, including as set forth in Rule 14d-1(d) of the US Exchange Act, and otherwise in accordance with the requirements of the Code, the Panel, the London Stock Exchange and the UK Financial Conduct Authority. The Offer is being made in the United States by the Consortium and no one else.

The Offer relates to the shares of a Guernsey incorporated company that is not registered under the Exchange Act and is admitted to trading on AIM and is subject to disclosure and other procedural requirements, format and style which are different from those in the United States including with respect to withdrawal rights, offer timetable and settlement procedures.

Financial information included in this announcement has been or will be prepared in accordance with accounting standards applicable in Guernsey and the United Kingdom, and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The receipt of consideration by a US holder for the transfer of its Globalworth Shares pursuant to the Offer may be a taxable transaction for United States federal income tax purposes and under applicable United States federal, state and local, as well as non-US and other, tax laws. Each Globalworth Shareholder is urged to consult their independent professional adviser immediately regarding any acceptance of the Offer including, without limitation, the tax consequences of the Offer applicable to them, including under applicable United States federal, state and local, as well as non-US and other, tax laws.

It may be difficult for US holders to enforce their rights, effect service of process within the United States and/or enforce any claim and claims arising out of the US federal securities laws, since Globalworth is incorporated under the laws of Guernsey, Zakiono and Tevat are incorporated under the laws of Cyprus, CPI is incorporated under the laws of Luxembourg and Aroundtown is incorporated under the laws of Luxembourg and the majority of the officers and directors of each of Globalworth, Zakiono, CPI, Aroundtown and Tevat are residents of countries other than the United States and most of their respective assets are outside the United States. It may not be possible to sue Globalworth, Zakiono, CPI, Aroundtown or Tevat, or any of their respective directors, officers or affiliates, in a non-US court for violations of US laws, including US securities laws. It may be difficult to compel Globalworth, Zakiono, CPI, Aroundtown and Tevat and their respective directors, officers and affiliates to subject themselves to the jurisdiction of a US court. There is doubt as to the enforceability in the United Kingdom and Guernsey of original actions, or of actions for enforcement of judgments of US courts, based on civil liability provisions of US federal securities laws and judgments of a US court.

Neither the SEC nor any US state securities commission has approved or disapproved the Offer, or passed upon the fairness of the Offer or passed upon the adequacy or accuracy of the information contained in this announcement or otherwise in respect of the Offer. Any representation to the contrary is a criminal offence in the United States.

No offer to acquire securities or to exchange securities for other securities has been made, or will be made, directly or indirectly, in or into, or by the use of the mails of, or by any means or instrumentality of interstate or foreign commerce or any facilities of a national securities exchange of, the United States or any other country in which such offer may not be made other than: (i) in accordance with the tender offer requirements under the Exchange Act, or the securities laws of such other country, as the case may be; or (ii) pursuant to an available exemption from such requirements.

In accordance with normal UK practice, Zakiono, CPI and Aroundtown or their respective nominees, or their respective brokers (acting as agents), may, from time to time, make certain purchases of, or arrangements to purchase, Globalworth Shares outside of the United States, other than pursuant to the Offer, until the date on which the Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed, as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. No purchases will be made other than pursuant to the Offer in the United States by or on behalf of CPI and Aroundtown, their affiliates or their respective nominees.

5. Information on Zakiono, CPI and Aroundtown

Irrespective of their economic rights in Tevat, upon or prior to the Offer becoming unconditional in all respects, CPI and Aroundtown shall each hold 50 per cent. of the voting rights in Tevat, and will benefit from equal board appointment, senior management appointment and management and operational rights with respect to Tevat and Zakiono.

Office properties are Arountown's largest segment, accounting for 51 per cent. of the portfolio value as at 31 December 2020, followed by hotels (24 per cent.), residential properties (14 per cent.), retail (7 per cent.) and logistics and other properties (4 per cent. in aggregate), respectively. Geographically, 86 per cent. of the commercial portfolio in terms of value, excluding Grand City Properties S.A. ("GCP"), was located in the Germany and the Netherlands as at 31 December 2020.

Arountown invests in commercial and residential real estate which benefits from strong fundamentals and growth prospects. The commercial properties are held by Arountown, and in addition Arountown holds a substantial interest (approximately 41 per cent.) in GCP, a publicly traded real estate company that focuses on investing in value-add opportunities predominantly in the German residential real estate market as well as the London residential real estate market. Operating with a fully integrated real estate value chain Arountown targets cash generating properties with upside potential in terms of rental income and/or occupancy, lease and tenant structure, cost level optimisation and consequential value. Through an intensive property management, including operational and repositioning activities, Arountown seeks to further improve its portfolio results, create secure and strong cash flow generating characteristics and benefits from the portfolio's internal growth potential. Arountown believes that this enables it to create significant value in its portfolio. Arountown's strategy is centred around its main pillars and continuously improving upon operational and financial metrics, with a centrally located portfolio in top tier cities.

In the financial year ended 31 December 2020, Arountown generated net rental income of EUR 1,003 million (up 31 per cent. versus 2019) and Adjusted EBITDA of EUR 944.1 million (up 22 per cent. versus 2019). As at 31 December 2020, EPRA NTA amounted to EUR 11,187.4 million (up 6 per cent. versus 2019) and Loan-to-Value (LTV) stood at 34 per cent. (unchanged versus year-end 2019).

6. **No Access to Globalworth’s Non-Public Information.**

Zakiono and its advisers have not had access to Globalworth’s non-public information or documentation and accordingly have been unable to perform any due diligence on such information or documentation. All information relating to Globalworth and the Globalworth Group has been sourced from publicly available information and has not been subject to comment or verification by Globalworth or the relevant member of the Globalworth Group or their respective directors.

7. **Information on Globalworth**

Globalworth is a Guernsey incorporated real estate company, with a primary focus on Poland and Romania, the two largest markets in Central and Eastern Europe, with its shares admitted to trading on AIM. Globalworth acquires, develops and manages commercial real estate assets, primarily in the office sector, with the objective of being the landlord of choice for the broad and growing variety of multinational corporations in the region. Globalworth is managed by approximately 226 professionals across Cyprus, Guernsey, Romania and Poland and has an overall real estate portfolio valued at approximately EUR 3.0 billion as at 31 December 2020.

In Romania, Globalworth has built a unique portfolio, valued at approximately EUR 1.4 billion as at 31 December 2020 and established itself as the leading real estate investor in the country, through acquisitions and developments. These include landmark office buildings in Bucharest such as Globalworth Tower, Globalworth Plaza, Bucharest Tower Center and Globalworth Campus.

In 2017, Globalworth expanded into Poland through the acquisition of a majority shareholding in Griffin Premium RE.. NV. (“**GPRE**”), which has since been renamed Globalworth Poland Real Estate N.V.. GPRE is a Polish real estate platform that primarily owns high-quality office and mixed-use assets located in Warsaw and a number of other major Polish cities, notably Wrocław, Łódź, Krakow, Gdansk and Katowice. 8. **Intentions of the Consortium with regard to Globalworth’s Business, Employees and Pension Scheme**

Management, employees and locations of Globalworth

As summarised at paragraph 3 (*Background to and reasons for the Offer*) above, the Consortium believes that now is the right time to consolidate their expertise in order to develop and grow Globalworth’s business further. Both CPI and Arountown have significant experience in successfully managing and operating comparable real estate businesses, and are well positioned to support Globalworth’s development.

Lack of access to undertake detailed planning

The Consortium has not substantially engaged with Globalworth in advance of the Offer, and as such has not had access to Globalworth’s non-public information or documentation. Accordingly, Globalworth Shareholders should note that the Consortium has not been able to perform any due diligence on such information or documentation or undertake any substantial non-public analysis in order to formulate detailed plans regarding the impact of the Offer on Globalworth and its employees, management, businesses, operations and otherwise.

However, the Consortium already has a certain degree of understanding and appreciation of Globalworth's business and is confident that CPI and Aroundtown, as Zakiono shareholders and experienced acquirers of businesses, will be able to improve Globalworth's business performance. This assessment of the business is based on the Consortium's own outside-in perspectives, industry benchmarks and publicly available information.

The proposals outlined in this section 8 remain subject to detailed implementation planning following completion of the Offer. Within six months of the Offer completing, the Consortium intends to undertake a detailed strategic review of Globalworth's business, including in relation to its assets, strategies and operations, in order to determine how best to improve Globalworth's business performance.

Employees, management and pensions

The Consortium attaches significant importance to the skills and experience of the existing management and employees of the Globalworth Group.

The Consortium believes that the ongoing participation of senior management of Globalworth is important to Globalworth going forward. Therefore, proposals regarding incentivisation arrangements for management and employees of the Globalworth Group may be considered, following completion of the proposed Offer. However, no discussions relating to such incentivisation arrangements have yet taken place, and no decision has been made by the Consortium with regards to the ongoing participation of senior management of Globalworth.

The Consortium plans to fully observe, following completion of the proposed Offer, existing contractual and statutory employment rights, including in relation to pensions, of all Globalworth employees in accordance with applicable law. Save as set out below in respect of a limited number of public-company related functions, the Consortium does not expect any reduction in headcount that could be considered material in the context of Globalworth's approximately 226 employees. The Consortium does not intend to make any material changes to the terms and conditions of employment of the employees of the Globalworth Group, or alter the balance of skills and functions of management and employees.

If Globalworth ceases to be admitted to trading on AIM (see below), a limited number of public company-related functions may be reduced in scope or become unnecessary. The Consortium has not developed proposals as to how any such headcount reductions will be implemented, but will work with Globalworth's management to minimise any such headcount reductions by reassigning such individuals to other appropriate roles within Globalworth to the extent possible.

Globalworth does not operate or sponsor a defined benefit pension scheme.

Headquarters, locations, fixed assets and research and development

The Consortium does not have any intentions to change the places of Globalworth's business, including the location of its headquarters and the headquarters' functions. The Consortium does not intend to redeploy any of Globalworth's fixed assets.

Globalworth does not have any material research and development operations or functions and the Consortium does not intend to change this position.

Trading facilities

The Consortium does not currently intend to procure that Globalworth cancels the trading of Globalworth Shares from AIM. However, the Consortium reserves the right to procure that Globalworth will make a request for the cancellation of the admission to trading of Globalworth Shares on AIM if considered necessary or advisable or otherwise required by applicable regulation, including the AIM Rules.

9. Incentivisation arrangements

The Consortium believes that the ongoing participation of senior management of Globalworth is important to Globalworth going forward. Therefore, proposals regarding incentivisation arrangements for management and employees of the Globalworth Group may be considered, following completion of the proposed Offer. However, no discussions relating to such incentivisation arrangements have yet taken place, and no decision has been made by the Consortium with regards to the ongoing participation of senior management of Globalworth.

10. Financing the Offer

The cash consideration payable to Globalworth Shareholders under the terms of the Offer will be financed from CPI and Aroundtown's existing cash resources.

Barclays and Citi, as joint financial advisers to Zakiono, are satisfied that resources available to Zakiono are sufficient to satisfy in full the cash consideration payable to Globalworth Shareholders under the terms of the Offer.

11. Consortium Bid Agreement

On 14 April 2021, Zakiono, CPI, Aroundtown and Tevat entered into the Consortium Bid Agreement. It also includes customary standstill, exclusivity and other confirmations given by the parties in relation to the Offer. The Consortium Bid Agreement will terminate upon the earlier of:

- the agreement of the Consortium;
- the offer consideration having been paid in full to the holders of Globalworth Shares who have accepted the Offer (or who are subject to a Scheme if the Offer is implemented by way of a Scheme); and
- the Offer lapsing or being withdrawn or any condition to the Offer having been invoked with the consent of the Panel or any competing offer in relation to Globalworth having become effective or unconditional in all respects.

12. Globalworth Share Schemes

Participants in or other holders of rights under the Globalworth Share Schemes (other than Zakiono) will be contacted regarding appropriate proposals under Rule 15 of the Code that will be made to them and details of the courses of action which will be open to them in due course. Details of the proposals will be set out in separate letters to be sent to participants in or other holders of rights under the Globalworth Share Schemes.

13. Disclosure of Interests in Globalworth Shares

Save for the Globalworth Shares and Warrants already held (or agreed to be acquired) by Zakiono, as at the close of business on 12 April 2021 (being the last practicable date prior to publication of this announcement), neither Zakiono nor any of the Directors of Zakiono nor, so far as Zakiono or the Directors of Zakiono are aware, any person acting in concert (within the meaning of the Code) with it for the purposes of the acquisition, has: (i) any interest in or right to subscribe for any relevant securities of Globalworth; (ii) any short positions in respect of relevant Globalworth Shares (whether conditional or absolute and whether in the money or otherwise), including any short position under a derivative, any agreement to sell or any delivery obligation or right to require another person to purchase or take delivery; (iii) any

dealing arrangement of the kind referred to in Note 11 on the definition of acting in concert in the Code, in relation to Globalworth Shares or in relation to any securities convertible or exchangeable into Globalworth Shares; nor (iv) borrowed or lent any relevant Globalworth Shares (including, for these purposes, any financial collateral arrangements of the kind referred to in Note 4 on Rule 4.6 of the Code), save for any borrowed shares which had been either on-lent or sold.

It has not been possible for Zakiono to make enquiries of all of its concert parties in advance of the release of this announcement. Therefore, if Zakiono becomes aware, following the making of such enquiries, that any of its concert parties have any such interests in relevant securities of Globalworth, all relevant details in respect of Zakiono's concert parties will be included in Zakiono's Opening Position Disclosure in accordance with Rule 8.1(a) and Note 2(a)(i) on Rule 8 of the Code.

14. Delisting and Re-registration

The Consortium does not currently intend to procure that Globalworth cancels the trading of Globalworth Shares from AIM. However, the Consortium reserves the right to procure that Globalworth will make a request for the cancellation of the admission to trading of Globalworth Shares on AIM if considered necessary or advisable or otherwise required by applicable regulation, including the AIM Rules.

15. Further terms and Conditions to the Offer and timetable

The Offer will be subject to the Conditions and certain further terms set out in Appendix 1 to this announcement and to the full terms and conditions which will be set out in the Offer Document and the Form of Acceptance accompanying the Offer Document.

The Transaction is conditional on, among other things:

- valid acceptances of the Offer being received in respect of Globalworth Shares which, together with Globalworth Shares acquired or agreed to be acquired before such time (whether pursuant to the Offer or otherwise), will result in Zakiono and any person acting in concert with it holding Globalworth Shares carrying, in aggregate, more than 90 per cent. of the voting rights normally exercisable at a general meeting of Globalworth, however, the Consortium may decide to waive this acceptance condition down to a lesser percentage in accordance with Rule 10 of the Code, provided that Zakiono has acquired or agreed to acquire (whether pursuant to the Offer or otherwise) Globalworth Shares carrying in aggregate more than 50 per cent. of the voting rights normally exercisable at a general meeting of Globalworth. Zakiono currently holds (including Globalworth Shares it has agreed to acquire) 113,879,464 Globalworth Shares representing in aggregate approximately 51.50 per cent. of the existing issued share capital of Globalworth;
- the Polish Antitrust Condition and the Romanian Antitrust Condition; and
- fulfilment of those other terms and conditions listed in Appendix 1.

Any decision by the Consortium to waive down the acceptance condition to a lesser percentage (including, without limitation, down to 50 per cent. plus one Globalworth Share) shall be at the sole and absolute discretion of the Consortium (without any further consents being required).

Under Rule 31.7 of the Code, except with the consent of the Panel, all of the Conditions must be satisfied or the Offer will lapse within 21 days of the first closing date or the date the Offer becomes or is declared unconditional as to acceptances, whichever is the later. Rule 31.7 also provides that the Panel's consent to an extension will normally only be granted, broadly, if the

outstanding condition involves a material official authorisation or regulatory clearance relating to the Offer.

Globalworth Shareholders who have accepted the Offer will not be able to withdraw their acceptances from the date on which the Offer becomes or is declared unconditional as to acceptances until the date on which the Offer becomes or is declared unconditional in all respects or lapses. Accordingly, if the 21 day period in Rule 31.7 is extended by the Panel, Globalworth Shareholders will not be able to withdraw acceptances for the duration of this extended period.

An indicative timetable setting out the expected dates for implementation of the Offer will be included in the Offer Document.

16. General

Appendix 3 to this announcement lists documents that will be published on CPI's and Aroundtown's websites in respect of the Offer. Zakiono reserves the right to elect (with the consent of the Panel) to implement the Offer by way of a Scheme as an alternative to the Offer. In such event, the Offer shall be implemented on substantially the same terms, so far as applicable, as those which would apply to the Offer (subject to appropriate amendments).

Barclays has given and not withdrawn its consent to the publication of this announcement with the inclusion herein of the references to its name in the form and context in which it appears.

Citi has given and not withdrawn its consent to the publication of this announcement with the inclusion herein of the references to its name in the form and context in which it appears.

Barclays Bank PLC, acting through its Investment Bank (“**Barclays**”), which is authorised by the Prudential Regulation Authority and regulated in the United Kingdom by the Financial Conduct Authority and the Prudential Regulation Authority, is acting exclusively for Zakiono and CPI and no one else in connection with the Offer and will not be responsible to anyone other than Zakiono and CPI for providing the protections afforded to clients of Barclays nor for providing advice in relation to the Offer or any other matter referred to in this announcement.

In accordance with the Code, normal United Kingdom market practice and Rule 14e-5(b) of the Exchange Act, Barclays and its affiliates will continue to act as exempt principal trader in Globalworth securities on the London Stock Exchange. These purchases and activities by exempt principal traders which are required to be made public in the United Kingdom pursuant to the Code will be reported to a Regulatory Information Service and will be available on the

London Stock Exchange website at www.londonstockexchange.com. This information will also be publicly disclosed in the United States to the extent that such information is made public in the United Kingdom.

Citigroup Global Markets Europe AG (“**Citi**”), which is authorised and regulated by the German Federal Financial Supervisory Authority (Bundesanstalt für Finanzdienstleistungsaufsicht – “BaFin”) and Bundesbank, is acting as financial adviser for Aaroundtown and Zakiono and for no one else in connection with the matters described in this announcement, the Offer and will not be responsible to anyone other than Aaroundtown and Zakiono for providing the protections afforded to clients of Citi nor for providing advice in connection with the Offer, or any other matters referred to in this announcement. Neither Citi nor any of its affiliates, directors or employees owes or accepts any duty, liability or responsibility whatsoever (whether direct or indirect, consequential, whether in contract, in tort, in delict, under statute or otherwise) to any person who is not a client of Citi in connection with this announcement, any statement contained herein, the Offer or otherwise.

This announcement is for information purposes only and is not intended to, and does not constitute, or form part of, an offer to sell or an invitation to purchase any securities or the solicitation of an offer to buy any securities, pursuant to the Offer or otherwise, nor shall there be any purchase, sale or exchange of securities or such solicitation in any jurisdiction in which such offer, solicitation or sale or exchange would be unlawful prior to the registration or qualification under the laws of such jurisdiction. The Offer will be made and implemented solely by means of the Offer Document (or, in the event that the Offer is to be implemented by a Scheme, the Scheme Document) which, together with the Form of Acceptance (in the case of certificated Globalworth Shares), will contain the full terms and conditions of the Offer, including details of how to accept the Offer. Globalworth Shareholders are advised to read the Offer Document (including the related Form of Acceptance) (and/or, in the event that the Offer is to be implemented by way of a Scheme, the Scheme Document) once this becomes available because it will contain important information in relation to the Offer. Any decision in respect of the Offer or other response in relation to the Offer, by Globalworth Shareholders should be made only on the basis of the information contained in those documents (and/or, in the event that the Offer is to be implemented by way of a Scheme, the Scheme Document). Globalworth Shareholders are advised to read the formal documentation in relation to the Offer carefully once it has been dispatched.

This announcement does not constitute a prospectus or prospectus exempted document.

Overseas Shareholders

The release, publication, distribution or availability of this announcement or the Offer to persons who are residents, citizens or nationals of, jurisdictions other than the United Kingdom and Guernsey may be restricted by the laws and regulations of those jurisdictions and therefore any persons into whose possession this announcement comes (who are subject to the laws and regulations of any jurisdiction other than the United Kingdom and Guernsey) should inform themselves of, and observe, any applicable restrictions. In particular, the ability of persons who are not resident in the United Kingdom or Guernsey, or who are subject to the laws of another jurisdiction, to participate in the Offer or to accept or procure the acceptance of the Offer (when made), may be affected by the laws of the relevant jurisdictions in which they are located. Globalworth Shareholders who are in any doubt regarding such matters should consult an appropriate independent financial adviser in their relevant jurisdiction without delay. Any failure to comply with such requirements may constitute a violation of the laws and/or regulation of any such jurisdiction. To the fullest extent permitted by applicable law, the companies and other persons involved in the Offer disclaim any responsibility or liability for any violation of such restrictions by any person.

This announcement has been prepared for the purposes of complying with English law, Guernsey law and the Code and information disclosed may not be the same as that which would have been prepared in accordance with the laws of jurisdictions outside England and Guernsey.

Unless otherwise determined by Zakiono or required by the Code, and permitted by applicable law and regulation, the Offer shall not be made available, directly or indirectly, in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction and no person may vote in favour of the Offer by any such use, means, instrumentality or form within a Restricted Jurisdiction or any other jurisdiction if to do so would constitute a violation of the laws of that jurisdiction. Accordingly, copies of this announcement and all documents relating to the Offer are not being, and must not be, directly or indirectly, mailed or otherwise forwarded, distributed or sent in, into or from a Restricted Jurisdiction where to do so would violate the laws in that jurisdiction, and persons receiving this announcement and all documents relating to the Offer (including custodians, nominees and trustees) must not mail or otherwise distribute or send them in, into or from such jurisdictions where to do so would violate the laws in that jurisdiction.

Notice to Shareholders in the United States

The Offer is being made to Globalworth Shareholders resident in the United States in reliance on, and compliance with, Regulation 14E and the related rules promulgated under the US Securities Exchange Act of 1934 (the “**Exchange Act**”), subject to any exemptions or relief therefrom, as applicable, including as set forth in Rule 14d-1(d) of the US Exchange Act, and otherwise in accordance with the requirements of the Code, the Panel, the London Stock Exchange and the UK Financial Conduct Authority. The Offer is being made in the United States by the Consortium and no one else.

The Offer relates to the shares of a Guernsey incorporated company that is not registered under the Exchange Act and is admitted to trading on AIM and is subject to disclosure and other procedural requirements, format and style which are different from those in the United States including with respect to withdrawal rights, offer timetable and settlement procedures.

Financial information included in this announcement has been or will be prepared in accordance with accounting standards applicable in Guernsey and the United Kingdom, and may not be comparable to financial information of US companies or companies whose financial statements are prepared in accordance with generally accepted accounting principles in the United States.

The receipt of consideration by a US holder for the transfer of its Globalworth Shares pursuant to the Offer may be a taxable transaction for United States federal income tax purposes and under applicable United States federal, state and local, as well as non-US and other, tax laws. Each Globalworth Shareholder is urged to consult their independent professional adviser immediately regarding any acceptance of the Offer including, without limitation, the tax consequences of the Offer applicable to them, including under applicable United States federal, state and local, as well as non-US and other, tax laws.

It may be difficult for US holders to enforce their rights, effect service of process within the United States and/or enforce any claim and claims arising out of the US federal securities laws, since Globalworth is incorporated under the laws of Guernsey, Zakiono and Tevat are incorporated under the laws of Cyprus, CPI is incorporated under the laws of Luxembourg and Aroundtown is incorporated under the laws of Luxembourg and the majority of the officers and directors of each of Globalworth, Zakiono, CPI, Aroundtown and Tevat are residents of countries other than the United States and most of their respective assets are outside the United States. It may not be possible to sue Globalworth, Zakiono, CPI, Aroundtown or Tevat, or any of their respective directors, officers or affiliates, in a non-US court for violations of US laws, including US securities laws. It may be difficult to compel Globalworth, Zakiono, CPI, Aroundtown and Tevat and their respective directors, officers and affiliates to subject

themselves to the jurisdiction of a US court. There is doubt as to the enforceability in the United Kingdom and Guernsey of original actions, or of actions for enforcement of judgments of US courts, based on civil liability provisions of US federal securities laws and judgments of a US court.

Neither the SEC nor any US state securities commission has approved or disapproved the Offer, or passed upon the fairness of the Offer or passed upon the adequacy or accuracy of the information contained in this announcement or otherwise in respect of the Offer. Any representation to the contrary is a criminal offence in the United States.

No offer to acquire securities or to exchange securities for other securities has been made, or will be made, directly or indirectly, in or into, or by the use of the mails of, or by any means or instrumentality of interstate or foreign commerce or any facilities of a national securities exchange of, the United States or any other country in which such offer may not be made other than: (i) in accordance with the tender offer requirements under the Exchange Act, or the securities laws of such other country, as the case may be; or (ii) pursuant to an available exemption from such requirements.

In accordance with normal UK practice, Zakiono, CPI and Aroundtown or their respective nominees, or their respective brokers (acting as agents), may, from time to time, make certain purchases of, or arrangements to purchase, Globalworth Shares outside of the United States, other than pursuant to the Offer, until the date on which the Offer becomes effective, lapses or is otherwise withdrawn. These purchases may occur either in the open market at prevailing prices or in private transactions at negotiated prices. Any information about such purchases will be disclosed, as required in the UK, will be reported to a Regulatory Information Service and will be available on the London Stock Exchange website at www.londonstockexchange.com. No purchases will be made other than pursuant to the Offer in the United States by or on behalf of CPI and Aroundtown, their affiliates or their respective nominees.

Further, the right of any entity or individual who is a South African resident, to participate in the Offer is subject to such resident having demonstrated to the Consortium’s reasonable satisfaction that it has obtained, all necessary exchange control approvals pursuant to the South African Exchange Control Regulations, 1961, promulgated under the Currency and Exchanges Act, 1933 and the policies and directives of the Financial Surveillance Department of the South African Reserve Bank or otherwise.

Disclosure requirements of the Code

Under Rule 8.3(a) of the Code, any person who is interested in 1 per cent. or more of any class of relevant securities of an offeree company or of any securities exchange offeror (being any offeror other than an offeror in respect of which it has been announced that its offer is, or is likely to be, solely in cash) must make an Opening Position Disclosure following the commencement of the offer period and, if later, following the announcement in which any securities exchange offeror is first identified. (or such lesser percentage as Zakiono may, subject to the Code, decide) of the voting rights then normally exercisable at a general meeting of Globalworth, provided that this Condition shall not be satisfied unless Zakiono shall have acquired or agreed to acquire (whether pursuant to the Offer or otherwise) Globalworth Shares carrying in aggregate more than 50 per cent. of the voting rights then normally exercisable at a general meeting of Globalworth, including (to the extent, if any, required by the Panel for this purpose) any such voting rights attaching to Globalworth Shares that are unconditionally allotted or issued before the Offer becomes or is declared unconditional as to acceptances, whether pursuant to the exercise of any outstanding subscription or conversion rights or otherwise. 1. Each of the Conditions shall be regarded as a separate Condition and shall not be limited by reference to any other Condition.

2. Subject to the requirements of the Panel, Zakiono reserves the right to waive (if capable of waiver), in whole or in part, all or any of the Conditions in Part A above, except for the conditions set out at paragraph 1 (*Acceptance Condition*), which cannot be waived by Zakiono.
3. 4. If Zakiono is required by the Panel to make an offer for Globalworth Shares under the provisions of Rule 9 of the Code, Zakiono may make such alterations to the terms and conditions of the Offer, including to any of the Conditions, as are necessary to comply with the provisions of that Rule.

7. Zakiono reserves the right to elect, with the prior consent of the Panel (where necessary), to implement the Offer by way of a Scheme. In such event, such Scheme will be implemented on the same terms so far as applicable, as those that would apply to the Offer, subject to appropriate amendments including such amendments as may be required by law or regulation.
8. The availability of the Offer to persons not resident in the United Kingdom or Guernsey may be affected by the laws of the Restricted Jurisdictions. Persons who are not resident in the United Kingdom or Guernsey should inform themselves about and observe any applicable requirements.

rights or interests of any nature whatsoever and together with all rights now or hereafter attaching or accruing to them including voting rights and the right to receive and retain in full all dividends and other distributions (if any), declared, made or paid after the date of this announcement. If any dividend or other distribution is authorised, declared, made or paid by Globalworth in respect of Globalworth Shares on or after the date of the announcement, Zakiono reserves the right to reduce to reduce the price payable pursuant to the Offer by the amount of all or part of any such dividend or other distribution.

13. The Offer is governed by the laws of England and Wales and is subject to the jurisdiction of the English courts. The Offer is subject to the Conditions and further terms set out in this Appendix 1 and to be set out in the Offer Document. The Offer will be subject to the Companies Law and the applicable requirements of the Code, the AIM Rules, the Panel, the London Stock Exchange and the Financial Conduct Authority.
14. Under Rule 13.5(a) of the Code, Zakiono may not invoke a Condition to the Offer so as to cause the Offer not to proceed, to lapse, or to be withdrawn, unless the circumstances which give rise to the right to invoke the Condition are of material significance to Zakiono in the context of the Offer. Condition 1 of Part A (*Acceptance Condition*) is not subject to this provision of the Code.
